COOKING TOOLS

oven tray, frypan or BBQ

Use the garlic & parsley butter to make garlic bread, or slice the steaks and serve them in crusty rolls with salad for a tasty steak sandwich twist.

Before you start cooking!

Wash your veggies and set out all ingredients, pans, chopping board and knife.

1. Roast the Potatoes

Set oven to 220°C.

Chop **potatoes** and toss on a lined tray with **oil, salt and pepper**. Roast for 25–30 minutes, until golden and crispy.

tip Add fresh or dried herbs before roasting such as rosemary or thyme.

4. Cook the Steaks

Rub **steaks** with **oil, salt and pepper**. Heat a frypan/BBQ over medium-high heat. Cook for 2–3 minutes each side (or to your liking). Set aside to rest.

tip Add a fresh or dried herb for extra flavour! We added dried tarragon (1/2 tsp).

2. Make the Garlic Butter

Dice **30g butter**, crush **garlic** and finely chop **parsley**. Mash together with **1/2 tbsp olive oil** and **salt** until combined. Set aside for serving.

tip You can skip the parsley, and use it for garnish if preferred!

5. Finish and Serve

Slice the **steaks** (allow to rest 5 minutes).

Serve with **crispy potatoes, salad and garlic butter**.

tip Serve with tomato relish, mustard or a drizzle of BBQ sauce for an extra flavour kick.

3. Prepare the Side Salad

Trim and rinse **lettuce** leaves. Halve **tomatoes** and slice **cucumber**. Arrange in a serving bowl or platter.

tip Dress side salad with olive oil and vinegar of choice if you like!
