COOKING TOOLS

oven tray, frypan, saucepan

Skip the honey soy and stir chopped parsley or dried mixed herbs through the butter to make a simple herb butter instead.

Before you start cooking!

Wash your veggies and set out all ingredients, pans, chopping board and knife.

1. Roast the Potatoes

Set oven to 220°C. Halve or quarter **baby potatoes** and place on a lined oven tray. Drizzle with **oil** and season with **salt**. Roast for 25-30 minutes or until golden and tender, turn halfway.

tip You can sprinkle potatoes with ground paprika for extra flavour.

4. Make the honey Soy DRizzle

Reduce heat to low. Add **butter**, **honey** and **2 tbsp soy sauce** to the same pan. Stir gently until melted and combined. Take off heat.

tip Stir in resting juices from the steaks.

2. Cook the Steaks

Heat a frypan with **oil** over medium-high heat. Season **steaks** with **salt and pepper**. Cook for 2-4 minutes on each side or until cooked to your liking. Set aside to rest, see step 4.

tip If your steaks are thick, you can finish them in the oven.

3. Cook the Broccoli

Bring a saucepan of water to the boil. Cut **carrot** into rounds and **broccoli** into florets, add to pan and cook for 3-4 minutes or until just tender. Drain well.

tip Toss with some butter/olive oil, salt and pepper if you like!

5. Finish and Serve

Slice **steaks**.

Serve with **oven roasted potatoes** and **vegetables**. Drizzle over **honey soy sauce**.
