## COOKING TOOLS

oven tray, frypan

For a quicker dish you can cut the potatoes into wedges to roast. Pile up the toppings and serve as loaded wedges. Another option is to wrap them in foil and roast until soft. Serve as a jacket potato (these can also be prepared in the air fryer!).

### Before you start cooking!

Rinse your veggies and lay out all your ingredients, utensils and cooking equipment, such as pans, chopping board and knife.

### 1. Roast the Potatoes

Halve potatoes and arrange cut side down on a lined oven tray. Rub with **oil** and **salt**. Roast for 30–35 minutes or until golden and tender.

### 4. Cook the Beef

Heat a frypan with a little **oil** over medium-high heat. Add beef mince and cook for 6 minutes, using a spatula to break up any lumps. Stir in 1/2 jar salsa. Warm through.

**tip** *Instead of salsa, you can use tomato paste and spices like smoked paprika or cumin.*

### 2. Prepare the Fresh Components

Trim and shred lettuce. Dice tomato.

### 5. Finish and Serve

Press down the middle of each potato slightly with a fork. Arrange on plates, pile on meat and salad ingredients. Serve with mashed avocado, remaining salsa and a dollop of sour cream.

### 3. Mash the Avocado

Mash avocado with **1–2 tsp olive oil** using a fork. Season with **salt** to taste.

**tip** *Dice the avocado if you prefer! You can also add 1/2 tsp ground cumin for extra flavour.*
