COOKING TOOLS

large frypan with lid, saucepan

For a quick gnocchi bake, transfer gnocchi and sauce to an oven dish, top with grated cheese and cook in the oven for 5 minutes until golden! Serve with a side salad.

Before you start cooking!

Rinse your veggies and lay out all your ingredients, utensils and cooking equipment, such as pans, chopping board and knife.

No gluten option - gnocchi is replaced with GF gnocchi.

1. COOK the ONION & BACON

Bring a saucepan of **water** to a boil (for the **gnocchi**, see step 4).

Heat a large frypan with **oil** over medium-high heat. Chop **onion** and **bacon**, add to pan as you go. Season with **1 tsp oregano**.

2. ADD the ZUCCHINI

While **onion** and **bacon** are cooking, peel and finely grate **zucchini** (use to taste). Add to pan.

tip We peeled the zucchini to hide it in the sauce, you can roughly grate, dice or slice it if you prefer!

3. SIMMER the Sauce

Stir in **tomato sugo** and **1/4 jar water**. Combine well, cover with a lid and simmer for 6-8 minutes over medium heat.

tip Add more veggies if you like, such as mushrooms or capsicum!

4. BOIL the GNOCCHI

Add **gnocchi** to **boiling water** and cook for 2-3 minutes or until the **gnocchi** floats. See next step.

5. TOSS GNOCCHI with the Sauce

Remove **gnocchi** with a slotted spoon and add straight to the sauce. Toss to combine and season with **salt and pepper** if needed.

tip If it is easier for you, drain the gnocchi then add it straight to the sauce.

6. SERVE at the table

Serve **tomato & bacon gnocchi** at the table. Top with **basil leaves** to taste.

tip Serve with a simple side salad or some veggie sticks if you like!
