COOKING TOOLS

oven tray, bbq, hot plate or large frypan

Make a traditional tzatziki with cucumber if you prefer!

Before you start cooking!

Rinse your veggies and lay out all your ingredients, utensils and cooking equipment, such as pans, chopping board and knife.

1. Roast the Potatoes

Set oven to 220°C.

Halve or cut baby potatoes into wedges. Toss with **oil, 1/2 tsp oregano and salt** on lined oven tray. Roast for 25 minutes or until golden and tender.

tip Add some fresh rosemary if you have it instead of the oregano.

4. Form the Souvlaki

Zest lemon. Mix with pork mince and season with **2 tsp oregano, salt and pepper**. Divide into 6-8 parts and form onto **skewers**.

tip You can make koftas or meatballs if that works better for your family!

2. Make the tzatziki

Grate (or dice) apple. Combine with yoghurt and crushed garlic clove. Season with **salt and pepper** to taste. Set aside in the fridge until serving.

tip For a milder tzatziki you can use 1/2 a garlic clove and use the remaining for the souvlaki.

5. Cook the Souvlaki

Grill souvlaki on the bbq, in a frypan or cook in the oven until golden and cooked through.

tip We used a hotplate to cook the souvlaki for roughly 10 minutes, turning occasionally.

3. Prepare the Salad

Slice tomato, capsicum and cucumber. Layer on a plate.

tip Dress salad with olive oil & vinegar if you like!

6. Finish and Serve

Serve souvlaki with baby wedges, salad and apple tzatziki. Cut lemon into wedges and serve on the side.

tip Add some bread or flatbread for dipping!
