COOKING TOOLS

large frypan, oven tray

You can add some barbecue sauce or tomato sugo into the pan when cooking the meatballs if you have it in your pantry for some extra flavour.

Before you start cooking!

Rinse your veggies and lay out all your ingredients, utensils and cooking equipment, such as pans, chopping board and knife.

1. Roast the Potatoes

Cut potatoes into rounds (about 0.5cm thick). Toss with **oil** and **salt** on a lined tray. Roast for 25 minutes or until golden and cooked through.

tip Make wedges or chips instead, if you prefer! Season with 2 tsp dried oregano or rosemary if desired.

4. Cook the Meatballs

Cook meatballs in a large frypan with **oil** or cook in the oven until golden and cooked through.

tip It is easiest to remove the meatballs by turning the packet upside down straight into the pan.

2. Make the tzatziki

Grate (or dice) 2 baby cucumbers. Combine with yoghurt and crushed garlic clove. Season with **salt and pepper** to taste. Set aside in the fridge until serving.

tip For a milder tzatziki you can use 1/2 a garlic clove.

5. Finish and Serve

Serve meatballs with potatoes, salad and tzatziki.

tip Add some bread or flatbread for dipping!

3. Prepare the Salad

Chop or wedge lettuce. Wedge tomatoes, slice capsicum and remaining cucumbers. Toss in a bowl.

tip Dress salad with olive oil & vinegar if you like! Arrange veggies separately if that works better for you.
