NOTES

We used plain flour for the stew.

To quickly soften butter, grate it using a box grater. You can also mix in any chopped fresh herbs you like, and add crushed garlic for extra flavour if you have some on hand. For a dairy-free alternative, substitute the butter with olive oil.

No gluten option – sourdough button loaf is replaced with gluten-free bread loaf.

1. SAUTÉ THE BEEF AND ONION

Set oven to 220°C. Soften **50g butter**.

Heat a frypan over medium-high heat with **oil**. Add **beef mince** to cook. Slice **onion**, then add it to the pan with the **BBQ spice mix**. Cook for 5 minutes, breaking up the mince as it browns.

2. ADD THE VEGETABLES

Dice **potato** (2–3cm) and **capsicum**. Remove **corn kernels** from cob, add to pan as you go.

3. SIMMER THE STEW

Stir in **1/2 tbsp flour**, **chopped tomatoes** and **1 cup water**. Cover and simmer for 15 minutes or until potatoes are tender.

4. PREPARE THE HERB BUTTER

Combine **softened butter** and **1/2–1 tsp oregano** (see notes).

5. MAKE PULL APART LOAF

Make diagonal cuts across **sourdough loaf** (use to taste), without cutting all the way through, creating a criss cross pattern. Spread **herb butter** over top, filling in the cuts. Bake for 5–7 minutes until toasty.

6. FINISH AND SERVE

Serve **cowboy stew** at the table with **pull apart loaf**.
