

Product Spotlight: Baby Cos Lettuce

To keep your lettuce crisp and crunchy, ensure the leaves are completely dry before storing them. Excess moisture can cause the leaves to wilt and spoil.

with Sour Cream Wedges

Enjoy a pub dinner without the crowds! Beef steaks coated in mustard, served with a fresh crunchy salad and thick potato wedges with sweet chilli sour cream for dipping.

35 minutes | 2 servings | Beef

Spice it up!

For fussy eaters, coat only some of the steaks with mustard. If you like a stronger mustard kick, spread a little extra over the steaks once they are cooked.
