

**Product Spotlight:  
Ginger**

Store your ginger in the freezer! Peel before you store. When you need to use it, it is easier to grate the ginger while it is frozen. Leftover ginger and the peel can be used in tea, stock or poaching liquid for extra flavour.

## NOTES

Use a teaspoon to scrape the peel off the ginger. It is easier to get around the bumps and will reduce waste!

Use radishes to taste. We used 1/2 a bunch for this salad. Any spare radishes can be pickled and used at a later date!

You can use ground cumin or cumin seeds instead of ground coriander if preferred.
