Spice it up!

This dish would be great with some relish or chutney. If you have some tomato chutney, kasundi, mango chutney or mint sauce hiding in the back of your fridge, bring it out and add to the platter!

NOTES

Most of our veggies come pre-washed, but it's always good to give them an extra rinse.

No gluten option – roti are replaced with ready to eat papadums. Add to the platter to serve.

1. BOIL THE POTATOES

Roughly dice potatoes. Add to a saucepan and cover with water. Bring to the boil and cook for 10 minutes until soft. Drain and roughly mash potatoes.

2. PREPARE VEGETABLES

Grate carrots and thinly slice spring onions (reserve some green tops for step 3). Add to a large bowl.

3. PREPARE THE TOPPINGS

Mix yoghurt with reserved spring onion green tops. Thinly slice the tomatoes and chilli. Arrange on a platter along with rocket leaves.

4. WARM THE ROTI

Heat a frypan over medium-high heat. Add roti to dry pan and warm for 1 minute each side. Remove and wrap in a clean towel to keep warm.

5. MAKE THE DUMPLINGS

Add mashed potatoes and Little Bites Kit to bowl with prepared vegetables. Pour in **1/2 cup water**, season with **salt and pepper**. Mix until well combined. Heat a second frypan over medium-high heat with **oil**. Add 1/4 cupfuls batter and cook, in batches, for 2-3 minutes each side or until golden.

6. FINISH AND SERVE

Add dumplings and roti to the platter and serve at the table.
