

Product Spotlight: Shiitake Mushrooms

Fresh shiitake mushrooms should be wiped clean rather than washed when possible. Too much water can affect their texture and cooking results.

NOTES

If you have a wok, use it to cook the vegetables at step 4.

Add 1-2 tsp of peanut butter or tahini to the sauce for richer, nuttier flavour. We seasoned with 1/4 tsp white pepper for it's great flavour profile.

1. COOK THE NOODLES

Bring a saucepan of water to the boil. Add **noodles** and cook according to packet instructions or until tender. Drain and rinse well with cold water to stop the cooking process.

4. COOK THE VEGETABLES

Heat a large frypan over medium-high heat with **sesame oil**. Add **onion, ginger** and **mushrooms**. Stir fry for 3 minutes until **mushrooms** begin to brown. Add **capsicum** and **broccolini**. Stir fry for 2 minutes until tender.

2. PREPARE THE INGREDIENTS

Trim and halve **broccolini**, thinly slice **spring onions** (reserve some green tops for garnish), slice **mushrooms** and **capsicum**, peel and slice **ginger**. Drain **edamame beans**.

Slice **chilli** and set aside.

5. TOSS THE NOODLES

Add **noodles** and **sauce** to the **stir-fried veggies**. Toss to combine and cook for 1-2 minutes until warmed through. Season to taste with **soy sauce** and **pepper**.

3. MAKE THE SAUCE

Crush **garlic**. Add to a bowl along with **hoisin sauce** and **1 tbsp vinegar**. Season with **pepper** (see notes) and mix to combine.

6P – add 1 1/2 **tbsp vinegar**.

6. FINISH AND SERVE

Thinly slice **spring onion green tops**.

Divide **noodles** among bowls. Top with **edamame beans** and **peanut and sesame mix**. Garnish with **chilli** and **spring onion green tops**.
