

Product Spotlight: Brown Rice

What's the difference between brown and white rice? When the outer layer, the husk, is removed, you get brown rice. When you further mill it and remove the bran and germ layer, then polish it, you get white rice.

Teriyaki Mushroom Rice Bowl

King oyster mushrooms, slightly charred and coated in a delicious Teriyaki sauce, served with nutty brown rice and stir-fried greens, then finished with a sprinkle of sesame seeds.

Shred the mushrooms!

For smaller mushroom bites, you can use forks to shred the mushrooms. They can also be sliced into discs similar to scallops if preferred!
