No gluten option – flatbread is replaced with corn tortillas.

1. Mash avocado & Prep Veggies

Mash avocado with **1-2 tsp olive oil** using a fork. Season with **salt** to taste.

Chop cucumber and halve cherry tomatoes. Arrange in a bowl.

tip Dice avocado if you prefer. Chop the tomatoes smaller to include in the quesadilla filling!

4. Cook the Quesadillas

Clean frypan and re-heat over medium-high heat. Add quesadillas and cook for 2-3 minutes on each side or until golden and crispy.

tip Use a sandwich press if you have one!

2. Cook the Filling

Heat a large frypan with **oil** over medium heat. Remove corn kernels from cob and cook with chicken for 2-3 minutes. Season with **salt** and **2 tsp smoked paprika**. Stir in cream cheese and **1/3 cup water**. Cook for a further 3-4 minutes until combined.

5. Finish and Serve

Transfer quesadillas to a board and slice. Serve at the table with mashed avocado and crunchy veggies.

tip Use scissors to wedge quesadillas. Serve with some sour cream or salsa if you like!

3. Assemble the Quesadillas

Rub flatbread with **oil** on one side. Arrange on your bench, oiled side down. Add filling to one half of each flatbread then fold over.

tip Add some grated cheddar to make the quesadillas extra cheesy!
