NOTES

If your slow cooker has a sauté function, you can sear the meat in the cooker instead of in a frypan. You can set the slow cooker to a low heat and cook for 5–6 hours instead.

We used plain flour; cornflour, rice flour, spelt flour or buckwheat flour will work well.

Shepherd's pie spice mix: cinnamon quill, dried bay leaves, dried oregano, dried thyme, ground paprika, garlic granules.

1. BROWN THE LAMB

Season **lamb** with **salt and pepper**. Dust with **1 tbsp flour**. Heat a large frypan over high heat with **oil**. Add **lamb**, in batches, and cook until brown on each side. Add to slow cooker as you go.

2. ADD VEG & SIMMER FILLING

Set slow cooker to high heat (see notes). Dice **onion** and **carrot**. Thinly slice **celery**. Add to slow cooker along with **1/2 thyme**. Add **tomato paste**, **stew mix**, **2 tsp vinegar** and **300ml water** to slow cooker. Simmer for 2 1/2 – 3 hours or until tender.

3. MAKE THE MASH

When there is 30 minutes remaining, set oven to 250°C and roughly chop **potatoes**. Add to a large saucepan and cover with water. Bring to a boil and cook for 20–25 minutes until tender. Reserve **1/2–1 cup cooking water** and drain **potatoes** (see notes). Return to saucepan and mash with **cooking water** and **2–3 tbsp olive oil/butter**. Season with **salt and pepper**.

5. ASSEMBLE THE PIE

Transfer **filling** to an oven dish. Spread **mash** over the top of **filling**. Sprinkle with **1/2 parmesan cheese** and bake for 5–10 minutes until **cheese** is melted and top of **pie** is golden.

5. MAKE THE SPROUT SALAD

Halve and thinly slice **Brussels sprouts**. Add to a bowl along with **remaining parmesan**, **2 tsp vinegar**, **salt and pepper**. Toss to combine.

6. FINISH AND SERVE

Garnish **pie** with **remaining thyme leaves**. Serve tableside along with **sprout salad**.
