NOTES

If your slow cooker has a sauté function, you can sear the meat in the cooker instead of in a frypan. You can set the slow cooker to a low heat and cook for 5–6 hours instead.

We used plain flour; cornflour, rice flour, spelt flour or buckwheat flour will work well.

1. BROWN THE LAMB

Season lamb with **salt and pepper**. Dust with **1 tbsp flour**. Heat a large frypan over high heat with **oil**. Add lamb, in batches, and cook until brown on each side. Add to slow cooker as you go.

2. ADD VEG & SIMMER FILLING

Set slow cooker to high heat (see notes). Dice onion and carrot. Thinly slice celery. Add to slow cooker along with 1/2 thyme. Add tomato paste, stew mix, **2 tsp vinegar**, **300ml water** to slow cooker. Simmer for 2 1/2 – 3 hours or until tender.

3. MAKE THE MASH

When there is 30 minutes remaining, set oven to 250°C and roughly chop potatoes. Add to a large saucepan and cover with water. Bring to a boil and cook for 20–25 minutes until tender. Reserve **1/2–1 cup cooking water** and drain potatoes (see notes). Return to saucepan and mash with **cooking water** and **2–3 tbsp olive oil/butter**. Season with **salt and pepper**.

5. ASSEMBLE THE PIE

Transfer filling to an oven dish. Spread mash over the top of filling. Sprinkle with 1/2 parmesan cheese and bake for 5–10 minutes until cheese is melted and top of pie is golden.

5. MAKE THE SPROUT SALAD

Halve and thinly slice Brussel sprouts. Add to a bowl along with remaining parmesan, **2 tsp vinegar**, **salt and pepper**. Toss to combine.

6. FINISH AND SERVE

Garnish pie with remaining thyme leaves. Serve tableside along with sprout salad.
