NOTES

Use Asian greens to taste. We suggest 1/2 bunch for a 2 person serve.

You can use a pre made stir-fry sauce such as black bean, oyster sauce or hoisin sauce. To prepare an easy, balanced and delicious sauce you can combine:
2 tbsp soy sauce, 1-2 tbsp oyster sauce, 1 tbsp sesame oil and 1 tbsp honey or brown sugar.

No gluten option – udon noodles are replaced with thick rice vermicelli. Bring a saucepan of water to boil. Add noodles to boiling water and cook for 10-12 minutes or until al dente. Drain and rinse before tossing into stir-fry in step 4.

1. PREPARE THE NOODLES

Place **noodles** in a large bowl and cover with hot water. Soak for 2 minutes, then drain and set aside.

TIP *Gently loosen the noodles with tongs.*

2. PREPARE THE STIR-FRY

Trim and slice **Asian greens** (see notes). Slice **capsicum** and **carrot** into thin strips. Prepare **stir-fry sauce** (see notes).

TIP *The carrot can be julienned or ribboned. Add other vegetables like mushrooms, snow peas, or bean shoots for variety.*

3. COOK THE STIR-FRY

Heat a wok or large pan over high heat with **sesame oil**. Add **beef mince** and cook, breaking it up with a spatula, until browned. Season with **salt and pepper**. Add sliced vegetables and cook for 3-4 minutes until just tender.

TIP *Add minced garlic, grated ginger, or a splash of soy sauce for extra depth of flavour.*

4. FINISH AND SERVE

Toss in cooked noodles and **3-4 tbsp stir-fry sauce** of choice, tossing to coat. Season well with **pepper**. Serve at the table.

TIP *Add some sweet chilli sauce or hot chilli oil for flavour and spice. Garnish the noodles with sesame seeds, sliced spring onions, or chives.*
