NOTES

You can add your own favourite burger toppings to this bowl. Pickles, red onion, shredded carrot or crispy bacon pieces work well!

For a more filling meal, serve the ingredients in burger buns with sweet potato on the side!

1. ROAST THE SWEET POTATO

Set oven to 220°C. Cut **sweet potato** into wedges or cubes. Toss on a lined oven tray with **oil, salt and pepper**. Roast in oven for 20–25 minutes until cooked through.

2. PREPARE THE SALAD INGREDIENTS

Rinse **lettuce leaves** and roughly tear or shred. Halve **tomatoes** and slice **cucumber**. Grate **beetroot**.

3. COOK THE BEEF PATTIES

Season **beef mince** with **salt and pepper** (see tip). Shape into even size patties (we made 12). Cook in a frypan over medium-high heat with oil for 3–4 minutes each side or until cooked through.

TIP *You can add dried oregano, mustard, onion powder, grated carrot, diced onion or garlic to the mince. Make mini meatballs or cook the mince without shaping into patties if preferred.*

4. FINISH AND SERVE

Arrange salad ingredients, sweet potato and beef patties among bowls. Dress with condiment of choice.

TIP *Serve the bowl with tomato relish, burger sauce, aioli or mustard.*
