NOTES

To make a traditional lasagne you can sauté the vegetables and simmer with chopped tomatoes to make a sauce. Layer between the lasagne sheets and top with cheese of choice. Bake in oven until the pasta is al dente.

No gluten option – pasta is replaced with GF pasta.

1. SAUTÉ THE VEGETABLES

Heat a large saucepan with **olive oil** over medium heat. Dice **onion**, **carrots**, **zucchini**, and **mushrooms**. Add to pan as you go, along with **1 tbsp Italian herbs**. Cook for 6–8 minutes or until softened.

TIP *For extra depth, add a pinch of chilli flakes or garlic if you have it. You can use dried oregano instead of Italian herbs.*

2. SIMMER THE SOUP

Stir in **2 crumbled vegetable stock cubes**, **chopped tomatoes**, and **1.5L water**. Bring to a boil, then reduce heat and simmer for 10 minutes.

TIP *You can use liquid stock or stock paste instead of the stock cubes.*

3. COOK THE LASAGNE SHEETS

Roughly tear **lasagne sheets** into smaller pieces. Stir into soup (see tip). Simmer for 4–6 minutes or until pasta is tender. Stir **1/2 sour cream** into soup. Season to taste with **salt and pepper**.

TIP *Dust off any extra semolina from the sheets before adding to soup. Separate and stir the as the lasagne sheets as you go to prevent them from sticking together.*

4. FINISH AND SERVE

Divide among bowls. Garnish with **oregano leaves** and an extra dollop of sour cream.

TIP *You can add ricotta or grated parmesan instead of sour cream if preferred!*
