KEY UTENSILS

large frypan with lid, saucepan, frypan

NOTES

Pat the beef scallopini dry with paper towel before cooking to remove any excess water. This will encourage browning in the pan.

Make sure the pan is off heat before stirring through the yoghurt. This will prevent the yoghurt from splitting.

No beef option – beef scallopini is replaced with chicken stir-fry strips. Cook over medium-high heat for 6-8 minutes until cooked through. Stir through pasta in step 5.

1. COOK THE PASTA

Bring a saucepan of water to boil. Add pasta and cook for 8-10 minutes or until al dente. Drain and set aside.

2. COOK THE VEGETABLES

Slice onion and add to a frypan over medium heat with **oil**. Slice mushrooms and add to pan along with **1/2 tsp dried thyme**, tomato paste, **1 crumbled stock cube** and **1 tsp paprika**. Cook for 5 minutes until softened. Pour in **1 cup water**, cover and simmer for 10 minutes.

3. COOK THE BEANS

Trim and halve beans. Add to a separate frypan over medium heat with **oil or butter**. Cook for 3-4 minutes until tender. Season with **salt and pepper**. Remove and set aside.

4. COOK THE BEEF

Coat beef with **1 tsp dried thyme**, **oil**, **salt and pepper** (see notes). Reheat frypan over high heat with **oil**. Cook beef for 1-2 minutes each side (cook in batches).

5. FINISH THE PASTA

Stir spinach through mushroom sauce until wilted. Take pan off heat and stir in yoghurt along with cooked pasta (see notes). Season with **salt and pepper**.

6. FINISH AND PLATE

Divide the pasta, beans and beef among plates.
