NOTES

You can garnish the risotto with fresh herbs, chilli flakes or cheese of choice. Toasted nuts or seeds also work well.

1. SAUTÉ THE VEGETABLES

Heat a pan over medium heat with **1 tbsp butter** and **1 tbsp oil**. Dice **onion** and **celery**, remove **corn** from **cobs**. Add all to pan as you go.

TIP *Add some extra vegetables if you like! Sliced mushrooms, diced carrot or pumpkin work well!*

2. SIMMER THE RICE

Add **rice**, **1/2 crumbled stock cube** and stir to coat. Pour in **600ml water**. Bring to a boil, semi-cover and simmer until rice is tender. Add more water as needed. Season with **salt and pepper** to taste.

TIP *You can add a dried herb or crushed garlic for extra flavour. We used a chicken stock cube. You could use liquid stock or stock paste if preferred.*

3. PREPARE THE TOPPINGS

Roughly tear or slice **chicken** pieces. Toss **rocket leaves** with **olive oil** (optional).

TIP *You can stir the chicken through the risotto if preferred. Add sliced pear or cucumber to the rocket to make a side salad instead.*

4. FINISH AND SERVE

Divide risotto among bowls. Top with chicken and rocket leaves.

TIP *Finish the risotto with some parmesan cheese or butter for richness! You could also stir through some pesto or lemon zest. We stirred through 1 tbsp butter which made the risotto extra velvety.*
