NOTES

Use frypan with lid.

You can make individual tortillas using a muffin tin. For these to cook properly, your potatoes must be thinly sliced. We recommend using a mandolin.

Toss the sliced avocado with some mesclun leaves and sliced cucumber for a quick side salad.

1. COOK THE VEGETABLES AND BACON

Heat a large frypan over medium-high heat with **oil** (see notes). Thinly slice **potatoes, onion and capsicum**. Slice **bacon**. Add all to pan as you go along with **1 tsp smoked paprika**. Cook, stirring occasionally for 10–12 minutes until potatoes are just tender (add more oil if needed). Season with **salt and pepper**.

TIP *You can add some lemon zest or dried oregano into the egg mixture for extra flavour! Add extra vegetables if you want a more filling tortilla. Mushrooms, asparagus or olives work well!*

2. ADD THE EGGS AND COOK

Whisk **eggs** in a bowl. Pour into pan with potatoes and stir gently. Cook covered, for 10–12 minutes until eggs are set.

TIP *Add some lemon zest or dried oregano into the egg mixture for extra flavour! Crumbled feta, grated cheddar or dollops of ricotta can be added for a cheesy finish!*

3. FINISH AND SERVE

Slice avocado and use to garnish tortilla. Slice and serve at the table.

TIP *You can garnish the tortilla with fresh chopped parsley if you have some. Serve with a tomato relish or chutney.*
