KEY UTENSILS

large frypan, saucepan

NOTES

When cooking long pasta, make sure to stir occasionally to ensure pasta doesn't stick together.

Grate zucchini if preferred. Add 2 crushed garlic cloves for extra flavour.

No pork option – bacon is replaced with turkey. Add turkey with onion and zucchini, step 4.

No gluten option – pasta is replaced with GF pasta.

Veg option – Bacon is replaced with green pitted olives. Serve as a topping or add to pan with onion and zucchini at step 4 (halve or chop if preferred). Add 1 tsp dried oregano for added flavour.

1. BOIL THE PASTA

Bring a large saucepan of water to the boil. Add pasta and cook according to packet instructions (see notes) or until cooked al dente. Drain and reserve 1/2 cup pasta water (continue step 5).

2. WHISK EGGS & PARMESAN

Whisk 3 eggs with 75g parmesan cheese, season well with **pepper** to taste.

3. COOK THE BACON

Heat a large frypan with **oil** over medium-high heat. Slice and add bacon, cook until crispy.

4. ADD THE VEGETABLES

Slice onion and zucchini (see notes). Add to the pan with mushrooms and 1/4 packet oregano leaves. Cook for 4–5 minutes or until softened.

5. DRAIN & STIR IN PASTA

Once drained, toss pasta straight into pan with vegetables. Toss together, making sure it is all piping hot. Take off heat, fold in the egg mixture and **1/2 cup pasta water**. Stir until creamy and well combined.

6. FINISH AND SERVE

Adjust seasoning with **salt and pepper** to taste. Serve carbonara at the table and top with fresh oregano leaves and the remaining 25g parmesan cheese.
